

## Important Questions To Ask Your Concrete Contractor

1. How long have you been in business, and are you a full time or part time concrete contractor?
2. Are you a Better Business Bureau Member? (Why or Why Not?)
3. Is your business owner operated, or is work delegated to the employees?
4. How many jobs like mine have you completed in my neighborhood?
5. Is your company based in the Peoria Area?
6. What risks are involved with my specific project?
7. Have you ever damaged property or had work related claims against your company insurance?
8. Are you licensed, insured, and bonded?
9. Would your company be recommended by other reputable area concrete contractors? (Which ones?)
10. What percentage of cement is added to your concrete raising/leveling mix?

\*Mixes containing a good percentage of cement naturally will be stronger and resist erosion longer!
